

# Decorative Jewelry Boxes -

## You will need:

- A cardboard box with a lid, such as a shoebox
- Old pieces of fabric, such as a T-shirt or leftover scraps from sewing
- Any glue that will hold fabric or a stapler
- Scissors
- Buttons or other decorative items (optional)

## Directions:

- Cut the fabric into two pieces that will cover the lid and the bottom of the box
- Fold the fabric around each section, and glue or staple in place as though wrapping a gift.
- Once dry, begin gluing the buttons or other items to the top to form your own creative design
- Replace lid and fill with keepsakes
